

Media Kit 2018

The only German-language newspaper for the auto industry

Germany's most-quoted industry newspaper

The automotive business is in the midst of an unprecedented transformation. Autonomous driving, digitalization, electrification and new forms of mobility are rapidly changing the way cars are built, sold, used and serviced. This paradigm change is affecting communication and cooperation between manufacturers, suppliers and dealerships on a sustained basis. *Automobilwoche* is helping business decision-makers across the entire automotive value chain to classify industry events and the state of facts so they can derive the right operational and strategic measures in a timely manner.

Our subscribers in Germany and in every automotive market worldwide use the print edition and the digital e-paper as a leading medium. *Automobilwoche's* comprehensive informational offerings are available on all our digital channels, such as www.automobilwoche.de, data center, newsletters, news apps and social media. And then there is jobs.automobilwoche.de, Germany's largest online job exchange for the auto industry, which expands the newspaper's print version of the job marketplace by more than 60,000 open positions every day. Furthermore, well-known industry events such as the *Automobilwoche Kongress* in Berlin offer platforms with high-caliber attendance for networking and personal exchanges of views and information.

Whatever the level, *Automobilwoche* guarantees you premium access to your automotive target group, in print, online, on mobile devices and at premium events. Use the multifaceted media offerings of one of the leading B2B media brands in Germany for your marketing communications.
